Amy Clarke

Shift Manager · Leeds, West Yorkshire

A fictional sample CV from Helixon. Contact details left out on purpose.

PROFILE

Warehouse shift manager with six years in a 200,000 sq ft distribution centre, four of them leading a night shift. Known for steady pick rates, training new starters and cutting errors.

EXPERIENCE

Shift Manager, Northgate Logistics, Leeds 2021 - present

- Lead a night shift of 14 pickers and packers, 22:00 - 06:00
- Cut mis-picks by 18% in six months by re-slotting fast movers and adding a second scan
- Trained 30+ new starters on Manhattan WMS and RF scanners
- Plan the weekly rota and cover sickness and holiday across two shifts
- Run the shift's health and safety walk and toolbox talks

Picker / Packer, then Team Lead, Northgate Logistics, Leeds 2018 - 2021

- Picked and packed 1,200 lines a shift using RF scanners
- Ran weekly cycle counts and reconciled variances with the stock control team
- Promoted to team lead after 18 months; covered the shift manager on leave

Retail Assistant, Fenwick Home, Leeds 2016 - 2018

- Received deliveries, kept the stockroom and handled returns
